## Classic Topiaries.....

Succulents.....large range of colours  
and varieties.....

A collection of potted plants and a green apple. In the background, there are several olive branches with small, yellow-green olives. In the foreground, there is a succulent with thick, rounded leaves that have purple tips, a spiky green plant, and a single green apple. The plants are in various pots, including a grey one and a white one with a blue pattern.
